*applicable only for selective packages

TERMS & CONDITIONS |

ADVANCE : Minimum 40% of the total cost should be paid as an advance, and is not refundable. Second settlement should be made on the day of the event leaving out Rs.4500 in case of engagement & Rs.15000 in case of wedding. The final settlement should be made before album print i.e., post reviewing the album design

SESSIONS : Engagement packages listed would be applicable for one session whereas all wedding packages is applicable for 2 sessions (Reception & Muhurtham). Any additional sessions to this costs extra

PHOTOS : Soft copies of the photos will be delivered to the client (via google drive) for album pics selection and once delivered it is the responsibility of the client to check for all event photos and revert for any missing photos within a week. The photos will be removed from our space once delivered and we request clients to maintain sufficient backups and **YNOT will not be holding any responsibility** for any complaints made on missing photos post one week

VIDEOS : Only edited HD/BlueRay DVD will be handed over to the client. Once delivered, it is the responsibility of the client to check for the footages thoroughly and request for changes (if any) within 2 weeks from the date of delivery. 'NO acknowledgement' from the clients will be treated as 'NO corrections' and the project files will be removed from our space post two weeks from the date of delivery. YNOT will not be holding any responsibility for any changes post the stipulated timeline and we request clients to have sufficient backups maintained to preserve their memories

Customers are requested to convey all their changes / corrections to the album/video at one shot during their first revision itself. Second round of album editing / inclusion of images at later stage is not encouraged

Delivery of the processed images will take a max of 2-3 months from the date of shoot or from the day when the clients hand over the pics. Album printing will take a max of 10 days from the day of client's approval on album version

COPYRIGHTS : Copyrights of all the images and videos remains with YNOT and will be used for promotional purposes in social & print media. The decision of advertising entirely lies with YNOT as advertising is our key to expand our horizons

ADDITIONAL COPIES : Additional sheets to the album/additional album incurs additional charges. No mobile clicks / external images would be encouraged to get edited or added to the album

CONVEYANCE CHARGES : Travel, Food & Accommodation should be bared by the clients for all sorts of events. We highly recommend clients to block atleast 1 room at the event hall for the resources and the rest at the nearby hotels. Resources can adjust for 2+1 in double bed rooms with additional beds and we request clients to plan in similar fashion for all other resources as well

The one thing we would leave behind for is *GOOD MEMORIES*
